

# This year's Donor Appreciation Reception will be a Hoedown in Austin!

Before the larger party begins, we will remember the contributions of the late Dr. James T. Mellonig. Tickets to this event are \$350 per person, including a gift to the AAP Foundation. Guests will enjoy an elegant dinner and drinks, and share their memories of this legend of periodontology.

Following the dinner, get your boots on and get ready to two-step the night away! Enjoy the toe-tapping sounds of a **live local Austin band, drinks, snacks, and the opportunity to let your hair down with friends and colleagues.** Our **line dancing** instructor will show the crowd the latest steps, and you can take your memories home with our fun **photo booth.** Special prices for students, and donors who have given more than \$2,000 will receive complimentary tickets.

Both events will be held at the iconic Speakeasy Austin, built in the 1870s and located in the Congress Avenue Historic District. We expect at least 50 people at the Mellonig Memorial Dinner and at least 200 at the Hoedown. Guests will include AAP and AAP Foundation leaders and the Foundation's most generous donors.

In order to make this as inclusive of an event as possible, we're working to keep our costs and ticket prices low, especially for students. We want to spread the word about the AAP Foundation's work to as many as possible through this event, while providing a fun and engaging experience.

Those in attendance will be the future award applicants, award recipients, donors and leaders of the AAP Foundation.

Your sponsorship will help us keep this event accessible to students and fun for all, while

supporting the education and research mission of the AAP Foundation.
